

## LOOKING FOR A (PAID) PROFESSIONAL EXPERIENCE IN THE SOFTWARE EDITION?

Orange Logic, a software editor from California with international offices in France, UK, Spain and **Vietnam**, is looking for **10 TALENTED SOFTWARE ENGINEERING STUDENTS** to join its **PAID INTERNSHIP PROGRAM** starting in **SEPTEMBER 2020**

### OPPORTUNITY

Our **selective** internship program is an opportunity to gain hands on experience as a software engineer, understand further the **software production** principles, and discover the business of an editor, along with its unique **company culture**

Specifically as an intern, you will:

- Work in teams to deliver concrete projects for our prestigious clients (Airbnb, BBC, Reuters...)
- Complete learnings (trainings, lectures, graded assignments) organized for you in our office
- Learn about our company & its DAM product, and contribute to its development and good reputation

In return, you will receive a monthly compensation of **23.000.000 Vnd (gross)** for your work

Depending on your achievements, you may be offered a **permanent position** at Orange Logic.

### REQUIREMENTS

- Currently enrolled in a Bachelor / Master degree in **Computer science / Software engineering** or equivalent
- Excellent academic grades / Top of the class
- Experience with data structures or Algorithms (from university, an internship, hobby or other practical experience)
- Coding experience in one of the following languages: .NET / C# / Java
- A good command of English both verbal and written
  
- Be able to work **full time**, for **12-14 consecutive weeks**, starting in **September 2020**
- Internship location: *Saigon Trade Center, 37 Ton Duc Thang, District 1, HCMC*

### APPLICATION

To apply, send your **resume** along with your **cover letter**, **academic transcript** (with **GPA**) and any supporting doc to **Ms Phuong** ([phuong.nguyenl@orangelogic.com](mailto:phuong.nguyenl@orangelogic.com))

We are looking forward to your application!
